There were tears in the man's eyes when his wife took her seat. She turned and saw them seated just outside the rail. She smiled and the boy seemed delighted. It was 10.15 before Judge Aspinall arrived and Assistant District-Attorney Frank McCaffery began to present the case. He said that the fact that Mrs. Ertel did kill the man Deges would be considered.

Keep Your Bowels Strong.

ECZEMA'S ITCH IS TORTURE.

Eczema is caused by an acid humor in the blood coming in contact with the skin and producing great redness and inflammation: little pustular eruptions form and discharge a thin, sticky fluid, which dries and scales off; sometimes the skin is hard, dry and fissured. Eczema in any form is a tormenting, stubborn disease, and the itching and burning at times are almost inbearable: the acid burning humor seems to ooze out and set the skin on fire. Salves, washes nor other applications do any real good, for as long as the poison remains in the blood it will keep the skin
